When September arrives
And activities start,
Much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure,
And when we have finished,
You can read them with pleasure.

DEDICATION

OUR TOWN

Realizing that a town is only what the people who live within it are,

Realizing that we, the future citizens of Afton, have been blessed with an extraordinary group of civic-minded American people,

Realizing that they have always tried to vote wisely on issues concerning the building and repairing of our schools,

Realizing that without the special kind of people we have in Afton that our schools would never be what they are today and what they promise to be tomorrow,

we, the staff of the Eagle, gratefully dedicate this yearbook to the people of OUR TOWN.

"OUR FATHERS CAME AND VIEWED THIS LAND"

Messrs. Leonard Johnson, Leonard Eck, Howard Helmick, and John Benson. Missing from this photo is Dr. Johnson.

WE RESPECT OUR ADMINISTRATION

Mr. Olvey, our superintendent, adds his skill in guiding our educational advancement.

Mr. Eck, Dr. Lawrence, and Mr. Johnson review some claims.

Dr. Lawrence Johnson

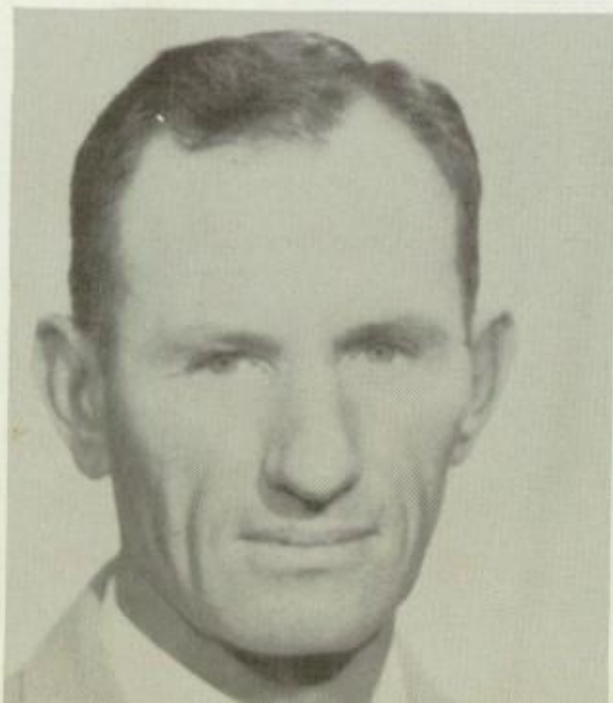

Mr. Leonard Johnson

BOARD OF EDUCATION

Our school board is composed of progressive-minded citizens who are capable and interested in developing Afton Schools. These men deserve our pride, faith, and loyalty as they work to improve our school. They give unselfishly of their time and interest in order to advance educational policies. Without the Board of Education our public schools would have a slim chance for existence. We Americans proudly boast of our free education. Our heritage and future lie in the hands of these few men.

Mr. Howard Helmick

Mr. John Benson

Mr. Leonard Eck

C.E. OLVEY

Mr. Olvey holds a M.S. Degree and has been teaching for 20 years. His favorite hobby is GOLF. He is also a top-notch photographer.

*Best wishes
to you.
Ed. Olvey*

SUPERINTENDENT'S MESSAGE

Dear Students

This message is dedicated to the fine student body that we have. I feel that you are proud of your school and wish to maintain the highest standards possible. Here education means many things. It means studying equations, reading "Macbeth", studying history, using a dress pattern, producing the annual, putting on a style show, keeping records on a beef project, giving baskets at Christmas, playing in the band, participating in ball games, learning the parts of speech, taking the NOMA spelling test, putting on plays, and many other activities that offer wide experiences for you. As you view the 1962 Eagle, may it bring you joy and pleasant remembrances of the many friends you made during your school days.

Sincerely
Mr. Olvey

H.H. SAPP

Mr. Sapp teaches history and Driver's Education. He is principal of our high school and has a M.S. Degree in Education. His hobbies include raising Angus cattle and sports.

*Best wishes
Hugh H. Sapp*

OUR PRINCIPALS

J.A. MALOCSAY

"Prof" received his B.S. Degree in music in 1940. He has taught here for 15 years and developed our music program, as well as being a very capable elementary principal. His hobbies include collection of "good" music albums and reading.

"WE'LL MISS YOU, RAD"

For 20 years, Mr. Hood has been a familiar face to the students of Afton High School. When we tracked in mud, Rad was there with his mop. When we needed help, we hunted Rad. It is with regret that we bid him farewell and say, "we'll miss you next year." Our best wishes go with you.

Mrs. Thorpe and Mrs. Walker are responsible for our nice meals.

Mr. Myers is the Grade School Custodian.

ORGANIZATIONS

One soon realizes the importance of the band upon entering school in the fall. They take part in every football game, and under the direction of Mr. Malocsay, the half-time show of the marching band is a highlight of every game. You will notice the new uniforms that the band is wearing this year - making the band one of the best-dressed bands in the state. After football season, the band begins preparation for the concert season, as well as playing for civic functions, assembly programs, and other programs.

This organization is for farm boys who are studying vocational agriculture in the high schools of our nation. As members of FFA, the boys learn through active participation how to conduct and take part in public meetings, to market farm products, to finance themselves, and to assume civic responsibility. They have helped in many projects in the community.

SUDDEN
NAPPY
SERVICE

you JUMP

When the books close, and the last bell
rings,
And carefree days are lost to mundane
things -
When nostalgia strikes, and your memory
waned,
And you remember the faces but not the
names -
Pick up your yearbook and leaf it through,
And remember the days so dear to you.

Eagle Service Station

Good Luck, Seniors

Mr. & Mrs. Marion Lee Baker

And so, we close another edition of THE EAGLE. We hope you will look through these pages again and again and recall many fond memories.

Wish to a fine boy
